SPCC Compliance Date Amendment

On June 11, 2009, EPA again extended the compliance date for all facilities to November 10, 2010. Facilities must amend or prepare, and implement SPCC Plans by the compliance date in accordance with revisions to the SPCC rule promulgated since 2002. Farms must also amend or prepare their SPCC Plans, and implement those Plans by the same date.

Regulation: Oil Pollution Prevention; Spill Prevention, Control, and Countermeasure Rule - Compliance Date Amendment (PDF)

This unsigned copy of the SPCC Compliance Date Amendment rule is being provided until a signed copy of the rule is available. A link to the official rule will be made available here once it is published in the Federal Register.

O'Brien's Response Management is ready to respond to your SPCC needs. Contact Don Kluth at (281) 320-9796 or email don.kluth@obriensrm.com for any consulting needs you may have.

Thank you,

O'Brien's Response Management
